9th Edition (2025)

Care Corner is a family run business with a wealth of experience in the healthcare market. Our aim is to deliver only the very best in customer service and support by working in partnership with our customers to ensure the best practice for the best value.

All of our customers benefit from:

- Help and advice with meeting care standards
- Personalised ordering solutions—order by phone, fax or email
- Budget and ordering controls to suit your requirements
- Management reports with regular reviews to ensure best practice
- Staff training and support

Here at Care Corner we understand the budget constraints and challenges that care homes and nursing homes face, and with this in mind we offer a free and easy consumable cost comparison review.

For a free, no obligation consultation call us on **01204 89 54 10** or email at **sales@carecorner.co.uk**

Housekeeping Laundry

Section 7

A wide range of laundry solutions tailored to your requirements from fully supported automatic dosing systems to manually dosed liquid or powders for lower volume laundries.

Manufacturer Supported Auto-Dosing Systems

An excellent solution for high volume laundry operations. High concentration laundry chemicals are pumped directly into the machine using advanced dosage units. This ensures the correct dosage with each wash, maximising wash performance and ensuring optimum cost control.

Dosing units are provided and maintained free on loan* eliminating associated maintenance costs and ensures peace of mind when emergency maintenance is required.

- Reduced energy and water consumption
- Concentrated products provide excellent cost in use
- Reduced waste and associated costs
- Virtually eliminates the need for re-washing or pre-soaking
- Equipment and service included in chemical price saving you time and money

*Subject to site visit and qualifying criteria. Call us today on **01204 89 54 10** to arrange a site survey and to further discuss how an automated laundry system can aid your operation.

Jeyes Laundry Auto-Dosing System

a low maintenance, water powdered laundry system that ensures the correct chemical dosage at the correct dilution at the correct moment during the wash cycle.

Features an integrated control system that can be used for wash cycles requiring up to 4 products. The dosing unit offers an 'out of product' alarm and reverts back to a safe programme if no programme is selected rather than the last program selected

- The combination of LD2 Non-Bio detergent and LD6 Advanced Stain Extractor offers excellent results matching or exceeding the performance of leading biological products
- The cleaning power can be further enhanced for difficult stains by adding a low temp destainer
- For the perfect finish and perfume add our LC8 Fabric conditioner
- Low cost in use, typical detergent dose of 5ml per dry kilogram of laundry
- Free on loan dosage equipment (subject to successful site survey)
- System maintenance included

LD2 Laundry Detergent Non Biological a main wash detergent for all fabrics.

- Suitable for sensitive skin
- Compatible with LD9 Advanced Stain Extractor
- Pleasant and long lasting fragrance

LD2

10 Litres

LD9 Advanced Stain Extractor

boosts performance of LD2 Non-Biological detergent on coloured stains

- Performs in low temperature wash 40°C
- Gentle on fabrics, increasing garment life
- Replaces the need for aggressive destainers

LD9

10 Litres

LC8 Fabric Conditioner

leaves fabrics fragrant and soft.

- Encapsulated formula leaves fabrics smelling fresh for up to 3 months
- Helps reduce static build up
- Makes fabrics easier to iron and dry

LC8

10 Litres

LD6 Low Temperature Destainer

enhances LD2 and LD9 combined performance on difficult stains.

- Disinfectant action
- Excellent stain removal
- Colour fast
- Can be used for pre-soaking laundry

LD6

10 Litres

P&G Professional Laundry Auto-Dosing System

The Ariel Professional system provides wash programs for disinfection according to European Norm EN1276. Kills 99.999% of bacterial including MRSA and E-coli.

A handset mounted in front of the washing machine is programmed to run through the selected wash cycles with the machine at the correct dose every time. Wall mounted pumps feed the right laundry products directly from the canister to the washing machine.

- 3 product system incorporating low temp detainer/disinfection
- Delivers 1 wash results, so you can tackle the costs associated with re-washing or pre-soaking
- Super concentrated for unrivalled cost in use
- Reduced wash times to deliver utility savings
- Free on loan dosage equipment (subject to successful site survey)

Ariel S1 Actilift Detergent

a concentrated low foaming detergent with patented enzymes to get deep in to the fabric and remove trapped dirt and stains.

- Patented enzymes allow cleaning technologies to get deep into the fabrics and remove trapped dirt
- Controls foam level of the wash cycle
- Delivers gentle fresh smell on linen
- Bleach free

Manual Handling

Section 15

Correct use of equipment such as hoists, handling belts and slide sheets can help reduce the strain on staff and ensure a safe environment for the user.

Invacare Birdie EVO and Birdie EVO Compact are specially designed to offer a comfortable lift and transfer to or from beds, chairs or even the floor. Ideal for use in domestic and residential care environments, the hoists are designed to fold and unfold easily without the need for tools.

- The high boom ensures there is ample space for the client, even when the hoist is in its highest position, and the optimised space in front reduces the risk of injury to the client’s knees.
- Securely attach slings with one hand thanks to the new user-friendly hook design.
- Battery status indicator on the control box delivers peace of mind regarding the remaining lifts that are achievable.

Base length ▼ Base width ▼ Inside width legs open ▼ Lifting range ▼ Product weight ▼ Safe working load ▼

Birdie EVO	1220 mm	640 mm	1020 mm	415 - 1660 mm	40 kg	180 kg

Terms and Conditions

The following Terms & Conditions set out the basis on which you can use our website, www.carecorner.co.uk, and place orders direct with Care Corner Ltd. By ordering goods from Care Corner Ltd you are deemed to have understood and accepted these terms.

1. Prices

All published prices shown are correct at time of production and are exclusive of Value added tax (VAT) and carriage charges; Vat will be applied at the current rate on all orders unless a validated exemption certificate is provided

Due to circumstances outside of our control, it may be necessary to implement price increases, including changes to the rate of value added tax. Care Corner Ltd reserves the right to change prices and adjust invoices accordingly and current prices will be confirmed at the point of order.

2. Payment

For Account holding customers, payment is to be received within 30 days from the date of invoice unless otherwise agreed. Non-credit account holders are required to tender full payment with their order.

If the Customer applies for a credit account, we may obtain information about the Customer from a credit reference agency to check credit status and identity. The agency will record our enquiry, and this may be seen by other organisations who also make enquiries about the Customer. We may use credit scoring in making decisions about the Customer's application.

3. Delivery

Delivery to mainland UK (excluding the Highlands) is free for orders over £75 excluding VAT (There may be some instances where exceptional carriage may be applied, customers will be informed of this at point of order). Orders below £75 excluding VAT will incur a £8.50 plus VAT handling charge. Postage and packaging for deliveries within the Highlands and Islands may vary.

All delivery dates and times provided by Care Corner Ltd cannot be guaranteed and will be confirmed at the time of your order. It is the customer's responsibility to ensure that all necessary arrangements are made to take delivery of the goods and standard delivery is to the reception desk and/or ground floor.

Larger products, such as Drugs Cabinets or Hoists, may be delivered to you directly from our supplier. Delivery of these items will be made to the ground floor entrance to the building.

All deliveries do not include unpacking, positioning, assembling or removal of packaging unless specific installation services have been requested and charges accepted.

Please check that deliveries are correct, undamaged and that the correct number of packages have been delivered before providing a signature. Any discrepancy or damage must be notified to Care Corner Ltd within three working days.

4. Cancellations

Care Corner Ltd is under no obligation to accept cancellation or amendment to any order or any part of an order. Where cancellation or amendment to an order is accepted, it is on the understanding that a cancellation or amendment charge may be levied.

5. Warranties

Care Corner Ltd gives no warranty and makes no representation as to the suitability of any goods for any particular purpose unless expressly given or made in the catalogue.

Where goods are supplied with the benefit of a warranty, the warranty will only continue to apply providing correct operation, cleaning and handling has been in line with the manufacturer's guidelines.

6. Retention of Title

All goods supplied by Care Corner Ltd to the customer shall remain the property of Care Corner Ltd until such time as payment has been received in full for the goods and of all other moneys due to the company from the Customer. After delivery of the goods to the Customer or his nominated sub purchaser, the goods shall be at the customer's risk. Until such full payment is received the separate identity of those goods shall be maintained by the Customer.

Until such time as title of the goods shall pass to the customer in accordance with the foregoing provision, Care Corner Ltd shall be entitled at any time to repossess the goods whether with or without notice and Care Corner Ltd and its employees or agents shall have the right at any time to enter upon the premises of the Customer for the purpose of effecting such repossession.

7. Returns

In the unlikely event that you receive goods which were not what you ordered or which are damaged or defective, or are of a different quantity to that stated on your order form, Care Corner Ltd shall, at its own discretion, make good any shortage or non-delivery, replace or repair any damaged or defective goods, or refund to you the amount you paid for the goods in question PROVIDED THAT you notify Care Corner Ltd within 3 working days and all returns are subject to the following conditions:

The goods must be returned in their original condition or packaging.

The goods will be collected by a courier authorised by Care Corner Ltd

Any goods authorised and accepted by Care Corner Ltd for credit or return will incur a £8.50 plus VAT handling charge.

No replacements are available whilst goods are exchanged, replaced, or repaired.

Care Corner Ltd is bound by the manufacturer's terms and reserves the right to raise a reasonable restocking charge.

In the event that the customer is not satisfied with the goods, but the goods are not defective, Care Corner Ltd reserves the right to refuse the return of the goods. It may be agreed that such goods can be returned but this will be Care Corner Ltd.'s absolute discretion and providing Care Corner Ltd is notified within 7 working days and goods meet the aforementioned conditions.

The following category of goods will not be accepted for return

Goods which are single use, sterile or body worn

Goods damaged due to misuse or unauthorised repair

Goods which are opened/partly used or where the seals have been removed

Goods damaged by fire, water, smoke or chemicals

No refunds or exchanges can be given on items made to your specification, such as furniture unless there is a defect, or the goods are not as ordered

8. Liability

Care Corner Ltd do not accept liability for any indirect loss, consequential loss, loss of data, loss of income or profit, loss of damage to property and/or loss from claims of third parties arising out from any products or services purchased

9. Products

Every reasonable care has been taken to ensure that all product descriptions are accurate, however specifications may change. Care Corner Ltd do not accept liability for any errors and omissions and reserve the right to change information, specifications and descriptions of listed goods, products, and services.

Care Corner Ltd will do its best to correct errors and omissions as quickly as practicable after being notified of them. Where a product is unavailable, we may offer an alternative of the same or better quality at the same price at the time of ordering.

10. Colour Reproduction

Although every care is taken during the reproduction of images and colours used within our catalogues and website, limitations of colour reproduction can result in a slight variation in the colour shown.

11. Data Protection

We are committed to protecting your privacy. We will only use the information that we collect about you lawfully in accordance with the Data Protection Act 1998.

12. Proper Law

These Terms and Condition are governed by & construed according to the law of England and the Customer submits to the jurisdiction of the English courts. These Terms and Conditions will prevail over any conditions that shall be issued by the customer.

13. Accuracy of Information and Copyright

Care Corner Ltd use their best endeavours to ensure that all publicised information is accurate and not misleading. Accordingly, we retain the right, without obligation, to amend or delete product information without notice.

14. Statutory Rights

Nothing in these Conditions is intended to or shall affect the statutory rights of a Consumer.

15. Free on Loan Dispensers

Any dispensers supplied Free on Loan by Care Corner Ltd remain the property of Care Corner Ltd. In the event that a customer no longer purchases the relevant refills/chemicals from Care Corner Ltd the dispensers must be returned to Care Corner Ltd in a resaleable condition.

Any items returned damaged or faulty will be charged at cost to the Customer.
